Risk Watch® Knowledge Test

Teacher Instructions

Duplicate the *Risk Watch* knowledge test and work with children in small groups or individually. Ask a parent volunteer or teacher's aide to assist with administering the test. Have the children look at the two pictures for each question. Explain each picture. (Example: Point to the picture of a bathtub with steam, then point to the picture of a ball. Read the question corresponding to the pictures. Have the children draw a ring around the best answer.) Correct answers are **highlighted**.

1. Look at the two pictures. One picture shows a bathtub filled with water. One picture shows a ball. Which could be hot and hurt you?

*(One picture shows a **bathtub filled with steaming water**, the second picture shows a ball.)*

2. Look at the two pictures. The first picture shows a child giving the matches to the grown-up. The second picture shows a child telling a grown-up to put the matches away. If you found matches lying on a table, which picture shows the safest thing to do?

*(One picture shows a child giving matches to a grown-up, the second picture shows a **child telling a grown-up about the matches**.)*

3. Look at the two pictures. The first picture shows children still playing a game. The second picture shows children going out of the house. Which picture shows what you do if the smoke detector/alarm sounds?

*(One picture shows two children playing in a home, the second picture shows the **children going out the front door**.)*

Risk Watch® Knowledge Test

4. Look at the pictures of the child riding a bike. Which picture shows a child riding safely?

*(One picture shows a **child riding with a helmet**, one picture shows a child riding without a helmet.)*

5. Look at the pictures of a child crossing the street. Which picture shows the child crossing the street safely?

*(One picture shows a child crossing the street alone, one picture shows a child **crossing the street at the crosswalk with a grown-up**.)*

6. Look at the pictures of a child riding in a car. Which picture shows the child riding safely?

*(One picture shows a **child riding in a booster seat in the back seat**, one picture shows a child riding in the front seat without a safety belt.)*

7. Look at the pictures of a child getting a drink. One picture shows a child drinking something from a bottle from under the kitchen sink. The second picture shows a child taking a drink from a grown-up. Which picture shows the safest way to get something to drink?

*(One picture shows a child in front of a cabinet under the sink, lifting a bottle to his/her mouth, the second picture shows a **grown-up giving the child something to drink**.)*

8. Look at the pictures of the children playing. Which picture shows children playing on the slide safely?

*(One picture shows **children taking turns on the***

slide, the second picture shows several children trying to go down the slide at the same time.)

9. Look at the pictures of the child on an escalator. Which picture shows the child acting safely on the escalator?

*(One picture shows a child holding on to a parent's leg, the second picture shows a **child holding on to the handrail and parent's hand.**)*

10. Look at the pictures of the child dressed for a windy day. The first picture shows a child wearing a sweatshirt. The second picture shows a child wearing a sweatshirt with drawstrings around the neck. Which sweatshirt is the safest?

*(One picture shows a **child wearing a sweatshirt without drawstrings**, the second picture shows a child wearing a sweatshirt with drawstrings.)*

11. Look at the two pictures of a child eating. Which picture shows a child eating safely?

*(One picture shows a **child seated at a table**, one picture shows a child walking while eating.)*

12. Look at the two pictures. The first picture shows a child giving a gun to a grown-up. The second picture shows a child telling a grown-up about the gun. Which picture shows the safest thing to do?

(One picture shows a child handing a gun to a grown-up, one

Risk Watch® Success Incident Report

Please duplicate this form for future submissions

We want to recognize students and others in your community who have put their *Risk Watch*® safety lessons into action. We'll mail a special commemorative certificate to your local hero for each documented "*Risk Watch Save*" or "*Risk Watch Success*" you tell us about.

A "***Risk Watch Save***" certificate will be presented to a person whose actions, learned as a direct result of participation in NFPA's *Risk Watch* program, have resulted in the preservation of human life, or whose positive intervention has prevented or minimized a potentially life-threatening situation. (Examples: Nominee followed a pre-established escape plan and survived a home fire, survived a motor vehicle collision through the proper use of safety belts or a child restraint seat, avoided severe head injury in an actual bicycle incident by wearing a bike helmet; and so forth.)

A "***Risk Watch Success***" certificate will be presented to a person whose actions, learned as a direct result of participation in NFPA's *Risk Watch* program, have reduced the danger of a potentially harmful situation. (Examples: Nominee persuaded caregiver to install a smoke alarm or practice a home fire drill; convinced a friend to wear a bicycle helmet or safety belt; told a responsible adult that he or she had found matches, poison, ammunition, or a gun; and so forth.)

In order for NFPA to issue a certificate in a timely fashion, please be as detailed as possible when completing this form.
